

# THE RULES OF FRIENDLY ARCTIC PADEL TOURNAMENT 2019

We follow in the tournament the rules of International Padel Federation FIP. Please note the additional local rules:

Due to the huge number of matches and limited time in use all the men's matches on Friday and Saturday will start at situation 2-2 in each set. Each match with men is calculated to play in 40 minutes (including warm up).

To make sure that the matches will stay in schedule there is also an option for No-Ad scoring rule. (means: in situation 40-40 there will be played only one point. The returner of the serve can decide in which service court the serve will be played). If the No-Ad scoring rule will be taken in use, the competition manager will inform this during the day.

Women's matches will be played as normal, but in case sets are 1-1 we play super tiebreak to ten (10) instead of third set.

## On Sunday:

The Finals will be played with normal rules combined with the additional local rules. The Bronze match is planned to play in 40 minutes. The Bronze matches will start at 2-2 situation in each set.

- 
- Remember to be well in advance at the club before your match is marked to begin, at least half an hour.
  - Men's teams are asked to mark their A, B and C game players in advance.
  - Team mentioned first in the official match schedule is responsible to pick up and return the padel balls and official scoring form.
  - Out of court play is forbidden
  - In case sets are 1-1 we play super tiebreak to ten (10)
  - Competition manager has right to speed up the matches, when it is necessary to stay in schedule.

## **In case of tie in team competitions:**

- 1.- use the difference between matches won or lost between teams only taking into account the result of the teams in the tie, and if the tie persists;
- 2.- the difference between sets won or lost between teams only taking into account the result of the teams in the tie, and if the tie persists;
- 3.- the difference between games won or lost between teams only taking into account the result of the teams in the tie, and if the tie persists;
- 4.- a coin will be flipped.

Once solved the tie between three teams and in case remain the tie between two teams, win the winner of their direct match series.
